

## Mission:

ScholarShot helps at risk students earn career-ready undergraduate, associate, and vocational degrees by providing academic management, financial assistance, and mentoring. We are ***Changing Lives with College Degrees.***

## ScholarShot Approach:

- Matching Academic Manager.
- Public, in state institutions only.
- Financial support up to \$6,000 per Scholar per year based on need.
- Degree planning, financial management, personal guidance and emotional support.
- Continual reporting and accountability through ScholarShot and Scholar portals.

TX Degree Completion reported by THECB

## ScholarShot Outcomes:

- Over 90%-degree completion, within 3 years for associate/vocational, 5 years undergraduate.
- Graduates are career-ready, with financial literacy, job acquisition and employer training.
- Graduates incur less than 1/3<sup>rd</sup> state's average in debt.

Mayra, TWU class of 2015
