

## What We Do?

ScholarShot helps at risk students earn career-ready undergraduate, associate, and vocational degrees by providing academic management, financial assistance, and mentoring.

## Mentor Expectations

- Contact your scholar 1-2 times a month
- Meet with Scholar personally once a semester
- Attend ScholarShot sponsored events
- Help identify intern and career opportunities for your Scholar

## Mentor Goals

- Provide a positive role model
- Encourage focus on goals and if necessary, goal re-set
- Stress the importance of post-secondary education/college completion
- Help build a network of personal and professional resources

## Mentor Criteria

- Possess at least an Associates, Vocational or Bachelors degree
- Complete a volunteer application with references
- Complete a background check
- Attend Mentor Training/Orientation
