

500 GRADUATES X 5 FAMILY MEMBERS X 2 INFLUENCED = 5,000 IMPACTED INDIVIDUALS

## Imagine ...

... The impact of 500 first generation college graduates for North Texas ...

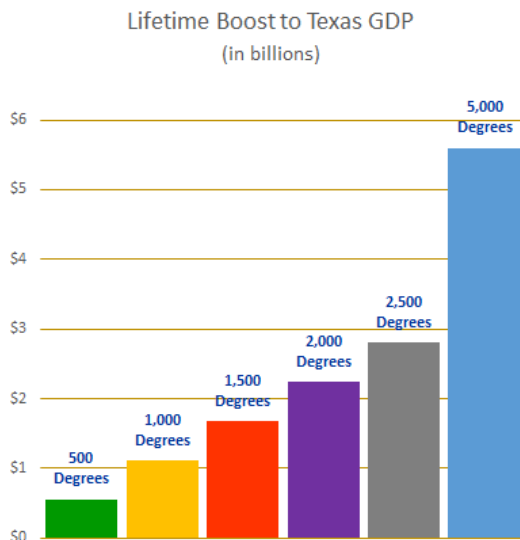

... Like America, Tarleton State, Class of 2025

- ✓ First generation college graduate.
- ✓ First-generation middle-class income earner.
- ✓ Future first generation homeowner.
- ✓ First generation poverty breaker.

... Imagine 500 America's influencing 1000s of others to do the same.

... Imagine the **Social ROI** for North Texas.

- Makes good our K-12 investment of \$150k per high school diploma.
- Recoups part of \$1 billion Texas taxpayers lose on grants failing to produce degrees.
- Boosts our local GDP with needed career-ready workforce.
